

Dr. Chad P. Coles

Secretary, Board of Directors
Canadian Orthopaedic Foundation

Dr. Chad Coles is an adult Orthopaedic Traumatologist practicing in Halifax, Nova Scotia. After completing residency in Orthopaedic Surgery at Dalhousie in 2002, he pursued an Advanced Clinical Experience in Orthopaedic Traumatology at Harborview Medical Center in Seattle, Washington. He remained on staff at Harborview for an additional year, before returning to Halifax in 2004.

Dr. Coles is an Associate Professor at Dalhousie University. Serving as Clerkship Director for the Department of Surgery, he plays an active role in Undergraduate Medical Education, in addition to training Orthopaedic residents and fellows. He has received clinical teaching awards at both the undergraduate and post-graduate level. He has a full-time academic practice in Orthopaedic Trauma at the Queen Elizabeth II Health Sciences Centre, which includes participation in several international, multi-centered research projects. He serves on the Editorial Board of the Journal of Orthopaedic Trauma, and is a reviewer for the Canadian Journal of Surgery.
