Club 206 Legacy Leaders

With your planned gift, the Canadian Orthopaedic Foundation welcomes you as Legacy Leaders in its Club206, named for the number of bones we each have. As Legacy Leaders, you are recognized donors of future bequests and planned gifts, and as philanthropic leaders. Legacy Leaders, if they wish, will be listed in the annual report and, may chose to become active participants in promoting philanthropy to advance orthopaedic research, education and care. The amount of your gift is strictly confidential and will not be disclosed publicly.

I/We accept membership but wish to remain anonymous (name to be unlisted).

Gift Designation

An undesignated gift allows the Canadian Orthopaedic Foundation to allocate your resources to the most urgent need. A designated gift can benefit the area of special interest or meaning to you: the development and continuation of programs in orthopaedic research or patient education. A portion of designated gifts (up to 20%) are directed to general, on-going costs necessary to maintain specific programs.

My gift is:

Undesignated, to be used in the area of greatest need.

Designated to funding orthopaedic research.

Designated to providing orthopaedic patient education and support.
